

CHAPTER NO. 21

HOUSE BILL NO. 2062

By Representatives Shepard, Tidwell

Substituted for: Senate Bill No. 1983

By Senator Jackson

AN ACT to authorize Hickman County to levy and collect a privilege tax on new residential, industrial and commercial development in the County in order to provide that new residential, industrial and commercial development contribute its fair share of the cost of providing public facilities and services made necessary by such new development.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

WHEREAS, Hickman County, Tennessee, has been growing at an accelerated rate during the last few years, having been impacted by the rapid growth in the standard metropolitan area of Nashville and Middle Tennessee in general; and

WHEREAS, anticipated growth is expected to continue and accelerate due to growth in Nashville and Middle Tennessee and to the recent and expected industrial growth in Hickman County and neighboring areas; and

WHEREAS, it is expected that the County's population will continue to increase causing a demand for approximately three hundred fifty (350) additional dwelling units per year; and

WHEREAS, projected growth and land use development will cause an increased demand for county-provided capital facilities such as schools, roads, jails, parks, county government facilities, solid waste convenience centers, etc.; and

WHEREAS, the County's present revenue raising authority is limited by state legislation and relies heavily on intergovernmental transfers which are not subject to county control, and on property taxes, which would impose the cost of new growth on existing residents rather than on new residents and businesses who create the demand for the additional expenditures; and

WHEREAS, Hickman County is committed, for the benefit of both present and future county residents, to maintaining a level of public facilities and services commensurate with those presently provided; and

WHEREAS, Hickman County is prepared to impose a fair, equitable and reasonable share of the costs of providing the necessary public facilities and services on existing residents of the County; and

WHEREAS, the County's present population, employment base, tax base and budget cannot alone support the additional revenues needed to supply facilities to serve new growth without a substantial increase in the property tax rate on existing development; and

WHEREAS, the continued expansion of the Nashville metropolitan area represents both an extraordinary economic opportunity for the State of Tennessee as well as a potential economic burden on the existing residents of Hickman County; and

WHEREAS, due to these circumstances, it is necessary and appropriate that Hickman County be given authorization to extend its taxing power to enable the County to impose a fair and reasonable share of the costs of public facilities necessitated by new residential, industrial and commercial development on that residential development so as not to create an unfair and inequitable burden on existing county residents; and

WHEREAS, there is precedent in the State of Tennessee for such additional tax measures to impose costs on those who benefit the most from improvements and where the result would otherwise be to impose an unfair burden on existing residents; and

WHEREAS, the most logical and effective mechanism to accomplish the intended result would be the imposition of a new privilege tax on new residential, commercial and industrial development in Hickman County to be known as a "land development privilege tax"; now, therefore,

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:
